

MedPro Healthcare Staffing MedPro's 13in13 Challenge

What is the 13in13 Challenge?

The MedPro's 13in13 Challenge is a way for active MedPro Explorers to truly experience the city in which they are currently working. Each active Explorer will receive a flyer via email of 13 different things to do (such as places to eat and shop, or sites like museums and gardens). By visiting these 13 places, they can earn money, try new foods and see new places, and get entered in a grand prize raffle!

Why should I participate in this challenge?

It can be fun and exciting to take on an assignment in a new place. While you might be looking forward to just change of scenery, the chance to meet new people, and the chance to go somewhere out of your comfort zone, going to a new place also means you can explore all that the city offers! You can visit sites like the Memphis Zoo, the Las Vegas Strip, or the Wynwood Walls in Miami, among many other interesting and incredible places!

Each city has a list of awesome places to visit—our little way of guiding you in your new adventure and helping you experience your new city. We really encourage our Explorers to go out and there and, well, EXPLORE!

Who can participate?

All active healthcare professionals ('Explorers') currently employed by MedPro can participate.

How do I participate?

An active MedPro Explorer must visit each of the 13 sites in their assigned city to be considered for the grand prize raffle. The Explorer must visit the site and take a picture of the site (including the site's name). Once he or she has taken the photo, they must send it to 13in13@medprostaffing.com.

We encourage all of our participating Explorers to post their photos on social media, and use the hashtag #MedPro13in13.

Each time an Explorer visits a site and sends in a picture, they are awarded \$13. An Explorer can earn a maximum of \$169. Once an Explorer has visited each of the 13 sites and sent in all 13 pictures, they will be entered the raffle for chance to win a grand prize of \$500.

Can you tell me more about the random drawing?

Each quarter, there will be a raffle drawing, and one grand prize winner will be drawn at random. The time at which an active MedPro Explorer **completes** the 13in13 challenge will determine which quarter raffle they are included in. For example, if an Explorer completes the challenge anytime between January 1 and April 30, he or she will be a part of the raffle occurring the first week of May. Each raffle will take place the week after the end of the quarter.
